

Accessing Moodle

Moodle gives you access to the **Problem Of the Week (POW)**, **Clarkson Discovery Challenge (CDC)**, **Party Pack Challenges**, **No Limits Competition**, **Game On**, and the **model roller coaster activities**. Log in often! Participate in the activities to help fill out your IMPETUS passport to win fabulous prizes.

Web address: impetus.clarkson.edu

Username is all lowercase **firstname.lastname**, for example John Smith would be: **john.smith**

The password is: **clarkson**

The passwords are reset every year.

If you are new to IMPETUS or have trouble, have your coach contact Josh Thomas to create an account or reset the password.

Add your email to your profile on Moodle to get news and information about the program! Adding your email will also allow you to reset your password if you forget it. Once logged in, click on the image frame on the far right where it says "LOGGED IN USER", on the next page you can click edit profile and edit your email, and even add a profile picture!
